ATA Magazine

An artistic illustration of a person walking away from the viewer on a dirt path. The path leads through a landscape of sparse, leafless trees and rolling hills. In the distance, a bright sun is setting or rising, casting a warm, golden glow over the scene. The overall mood is contemplative and serene. The text 'Trauma is part of the human story.' is written in a cursive font across the middle of the image, following the path.

Trauma is part of the human story.
